On Thursday 18th October Mr Rainbird-Hitchins, our Acting Head of Yr11, arranged to take 4x KS4 students to the Worcestershire Apprenticeship Show @ Sixways Stadium.

Mr Rainbird-Hitchins stated today that it was well worth going to the event yesterday evening. There was a great turn out from businesses and it was perfect for networking.

Mr Rainbird-Hitchins walked our students around the event and they found a number of avenues that to be pursued over the next few weeks and months.

The students really enjoyed themselves, speaking to lots of colleagues from business and also leaving with a pocket full of freebies.

A fantastic event, and one that we will recommend in the future.
