DATE

11.04.2019

SCHOOL

The Aspire Academy

DISTRICT

Worcestershire

EVENT NAME

2 Counties Training – Traineeship visits

NUMBERS ATTENDED

5x Yr11s

WRITE UP

On Thursday 11th April five of our Yr11 students, supported by Mr Hitchins, met with Bryan Craven from 2 Counties Training to visit DCVS in Droitwich and FL Training in Bromsgrove to see the Training Centre's, to meet the staff and to find out more about the 'Traineeships' that they could access post 16.

The morning started with a short classroom presentation and activity at DCVS which both engaged and enthused our students. This when then followed by a quick journey over to FL Training in Bromsgrove where the students gathered some further information and then had the opportunity to test their fork-lift truck driving skills.

The visit was a huge success that has since led to further meetings with Bryan back in school resulting in 6x of our Yr11s signing up to the 'Traineeship' programmes for September - 4x with DCVS, 1x with FL Training and a further 1x with Pro Sport.

All in all, a huge success!!
