September 2022

Dear Prospective Governor,

The Aspire academy is an alternative Provision Free school providing education to vulnerable and disadvantaged children from across Worcestershire for whom mainstream education has not been wholly successful.

We are looking to recruit new Governors to our academy Governing Body to expand on the wealth of experience that already exists to support our vulnerable and disadvantaged pupils.

We are specifically looking to increase the diversity of the Governance group and would specifically welcome additional support from early career professionals or graduates new to the area including those from a variety of faiths and cultures.

Nationally the average age of Governance is approximately 60 years and our governing body reflects that. We would look to encourage a more diverse viewpoint to come and support our work and challenge us further to be the best we can be.

If you are interested in finding out more and would like to make a visit to the Aspire academy, then please contact Simon Stevenson, Headteacher at sstevenson@theaspireacademy.org.uk or phone the school on 01905 455422.

Our website hopefully provides you a wealth of information to learn about the school and our work.

We look forward to hearing from you.

Best wishes,

Simon Stevenson
Head Teacher.
