ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT
FOR THE YEAR ENDED 31 AUGUST 2022

The Governors present their annual report together with the financial statements and auditor's report of the charitable company for the period 1st September 2021 to 31 August 2022. The annual report serves the purposes of both a governors' report, and a directors' report under company law.

The Trust operates an Alternative Provision Academy for pupils aged 11 to 16 serving to accept pupils from schools within Worcester City, the county of Worcestershire and further afield if appropriate. The Academy was funded for 105 FTE pupils; during the year ending 31st August 2022 the Academy worked with and registered 137 young people.

Structure, governance and management

a. Constitution

The Aspire Free School Academy Trust is a company limited by guarantee and an exempt charity.

The Charitable Company's Memorandum, Articles of Association and Funding Agreement are the primary governing documents of academy trust. The governors of The Aspire Free School Academy Trust are also the directors of the charitable company for the purposes of company law. The Charitable Company is known as The Aspire Academy and was incorporated on 13th December 2012.

Details of the governors who served during the year are included in the Reference and Administrative Details of the Academy on page 1.

b. Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

c. Governors' indemnities

During the period, an indemnity from the charitable company was available to the directors against liabilities that might be incurred by them in defending proceedings against them in respect of the affairs of the charitable company. The indemnity is subject to the provisions of the Companies Act 2006 and is set out in the Articles of Association.

d. Method of recruitment and appointment or election of Governors

The Academy's Board of Governors is subject to retirement by rotation. Governors are eligible for re-election at the meeting at which they retire. The governors to retire are those who have served the longest in office since their appointment or re-election. New governors are recruited in accordance with the Articles of Association and 'A Guide to the Law for School Governors'. The term of office for any governor is 4 years, although this time limit does not apply to the Head Teacher.

e. Policies adopted for the induction and training of Governors

The Academy procures governor support services provided by Worcestershire Children First. Additional training is provided as required based on individual or collective need. External advice and support is commissioned where necessary.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Structure, governance and management (continued)

f. Organisational structure

The full Board of Governors met four times during the period 1st September 2021 to 31st August 2022. The Board establishes an overall framework for the governance of the Academy and determines membership, terms of reference and procedures of committees and other groups. It receives reports, including policies, from its committees for adoption. It monitors the activities of the committees through the minutes of their meetings. The Board may from time to time establish working groups to perform specific tasks over a limited timescale.

The governors are responsible for setting general policy; adopting an annual improvement plan and budget; approving the statutory accounts; monitoring the Academy by the use of budgets and other data; and making major decisions about the direction of the Academy, capital expenditure and staff appointments.

During the financial year two sub committees with delegated powers from the Board of Governors have met:

Finance & Human Resources met three times during the period and is responsible for monitoring, evaluating and reviewing policy and performance in relation to financial management; compliance with reporting and regulatory requirements of reporting; drafting the annual budget, including setting staffing levels, all personnel issues and the annual review/recommendation of pay; and discussing all resource and premises issues, including health and safety.

Teaching & Learning met twice during the period and is responsible for monitoring, evaluation and review of Academy policy, practice and performance in relation to curriculum planning, communications, target setting and assessment and examinations.

The following decisions are reserved to the full Board of Governors: to consider any proposals for changes to the status or constitution of the Academy and its committee structure; to appoint or remove the Chair and/or Vice Chair; to appoint the Head Teacher and Clerk to the Governors; to approve the annual School Improvement Plan, annual financial statements and the annual budget.

The Board of Governors have devolved responsibility for the day to day management of the Academy to the Head Teacher.

The Academy has a leadership structure which consists of the governors and Senior Leadership Team (SLT). The aim of the leadership structure is to devolve responsibility and encourage involvement in decision making at all levels. The Senior Leadership Team, as described in the Reference and Administrative Details on page 1, operates at an executive level, implementing the policies laid down by the governors and reporting back to them.

The Head Teacher, Director of Operations and Finance and Human Resources Committee are responsible for the authorisation of spending within agreed budgets. The Head Teacher is responsible for the appointment of staff and is the Accounting Officer.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Structure, governance and management (continued)

g. Arrangements for setting pay and remuneration of key management personnel

The key management personnel of the Academy are the Senior Leadership Team. The pay and remuneration of members of the leadership team, and those staff who are directors/governors, is set following a system of performance management in accordance with the appropriate Performance Management Policy, which is reviewed annually. In the case of the Head Teacher, performance management was undertaken by the Chair of the full Governing Body and the chair of the Finance & HR Committee. Remuneration budgets are set annually and all recommendations for salary increases are approved by the Finance & Human Resources Committee. The gross pay of the Senior Leadership Team and staff governors, for the period, including on costs was: £491,231.

h. Related parties and other connected charities and organisations

During 2021/2022 the Academy had links to the following establishments, who commissioned pupil places:

Baxter College
Bishop Perowne C of E College
Blessed Edwards Oldcorne Catholic College
Christopher Whitehead
Church Hill Middle School
Continu Plus Academy
Droitwich Spa High School
Dyson Perrins Church of England Academy
Hanley Castle High School
Ipsley CE RSA Academy
King Charles I High School
Nunnery Wood High School
Pershore High School
Prince Henry's High School
Rideway Academy
RSA Arrowvale
South Bromsgrove High School
St Augustine's High School
Stourport High School
Tenbury High School
Trinity High School
Tudor Grange Academy, Redditch
Tudor Grange Academy, Worcester
Wolverley High School
Worcestershire Local Authority

The Academy has a business involvement to procure services from Worcester Warriors Community Foundation.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Objectives and activities

a. Objects and aims

The objects of the Aspire Free School Academy Trust are set out in the Company's Articles of Association.

The Board of Governors continue to set the Academy's strategic aims through the Academy's School Improvement Plan. These aims are monitored closely by the Board of Directors by way of Head Teacher and Senior Leadership Team reports and through the work of sub committees.

b. Objectives, strategies and activities

The aims and objectives of the Academy are derived from its mission statement which is to "work with our community, local employers and providers and voluntary organisations so we can offer the very best opportunities for our pupils".

Our key aim is to provide an outstanding, educational learning experience for pupils, thereby enabling them to progress to further education, employment or training, potentially in apprenticeships.

The objectives for the forthcoming year are outlined in the School Improvement Plan; the headline priorities are to:

- Continue the improvement in attendance of pupils to school and to lessons from start points.
- Continue to support the pupils with additional needs in the most appropriate way with interventions and in securing Education Health and Care Plans where appropriate.
- Secure all points established following the review of SEND by Chadsgrove Special School.
- Deepen the evidence of strong progress for pupils across the curriculum including in reading.
- Continue to improve the academic outcomes for pupils with smarter targets and an enhanced baseline picture and utilising a more robust academic assessment progression system.
- Drive improvement in the quality of all teaching and learning and up skill all staff to achieve excellence through in house training and development.
- Continue to improve the management of behaviour to impact positively on pupil behaviour and welfare using the ARBOR MIS to generate the evidence base from start point.
- Continue to develop the therapeutic services of the academy in order to meet the needs of pupils more effectively. We are now a Trauma Informed School with a Level 5 qualified practitioner. Trauma informed practices and restorative Thinking practices are embedded in school processes and policies.
- In response to the pandemic there has been an increased focus on supporting well-being for both staff and pupils. Staff completed another wellbeing twilight Inset on June 2022 and work is ongoing to cement the best practices and extend support further following the implementation of our Work Load and well Being Charter.
- Continue to increase the number of pupils sustaining destinations post 16 and to effectively monitor this for the 16 to 18 phase of former pupils.
- Extend and develop all safeguarding practices including contextual safeguarding information.
- Successfully work towards and beyond the targets set out by Ofsted in May 2017 and be in a position to be potentially graded with some outstanding areas at the next inspection.
- To continually look to improve the diversity, skills and knowledge of the governing body.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Objectives and activities (continued)

c. Public benefit

In setting our objectives and planning our activities, the governors have carefully considered the Charity Commission's guidance on public benefit.

The Aspire Free School Academy Trust is fully committed to working in partnership with a variety of organisations to ensure that it is at the centre of its community and that it can access a wide range of services, advice and opportunities to support the education and outcomes for its pupils.

We value highly our relationship with the parents/carers of our pupils to ensure better outcomes for them. We have developed systems to provide an effective access of communication between the Academy and home, and also building on strategies to involve hard to reach parents through our contacts with community groups. By working together, we are able to meet our aim of ensuring that all who come to The Aspire Academy will find it challenging, stimulating, supportive, a happy place to be and will enjoy their time here.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Strategic report

Achievements and performance

It is 5 years and 5 months since our first Ofsted inspection (rated GOOD). The next inspection is imminent but the timing is unknown, and will be conducted under a new inspection framework. The school has been working hard to meet all the demands of this new framework to endeavour to repeat, at least, the GOOD rated inspection. This work continues.

In order to secure greater improvement in our outcomes and achievements, we have appointed Karen Hayes as our School Improvement Partner. Karen works for Esteem Mat in Derbyshire, but is a former Head Teacher of an AP free school (rated outstanding) and a current HMI with enhanced Alternative Provision training. She has already carried out a website review and her first improvement visit in September. Her report will include key Areas for consideration and development when it is published.

The first public examinations were held since 2019 and pupils GCSE performance and achievements were broadly in line with last year, albeit with fewer pupils achieving the standard passes in English and Mathematics. The outgoing year 11's were, we feel, most significantly hit by the pandemic years. The annual Prize Giving celebration returned to Worcester Warriors for the first time since 2019 where academic achievement was rewarded with prizes and recognised in front of an audience of families. 15 of 21 pupils (76%) achieved an English and Mathematics qualification in 2021/22 and (20 of 21) had a positive post 16 destination in July 2022.

The Aspire Academy produced its own Well Being and Workload Charter for Staff during the course of last year making a commitment to the support of staff as a priority, not a luxury. All staff contributed to its production. The school also signed up officially to the DfE Education Staff Well Being Charter.

The Head Teacher embarked on his NPQ in Executive Leadership in the Spring in order to support the development of the school as it considers the formation of a Multi Academy Trust or joining one, in line with some key expectations of the Governments White Paper for education, although this has been currently put on hold. Richard Rainbird-Hitchins is nearing completion of the NPQ in Behaviour and Culture which complements his role as the Designated safeguarding lead. Safeguarding practices were strengthened and enhanced in the last 12 months under his leadership. Zoe Kingston was appointed as our Mental Health and Well Being Lead and has completed the DfE stipulated mandatory training for Leaders in this role, again to complement the training she had undertaken for TISUK. We are officially a Trauma Informed School and our ethos, policies and practices reflect the language of a TISUK school. Zoe has successfully established a database of support and interventions for pupils with challenging mental health in need of extensive support. Nick Bruton, Head of Maths and Head of Key stage 3 is embarking on the NPQ in Teaching and Learning. He has established links with a mainstream school in the city to support the development of maths. Lee Fisher, Head of Key Stage 4 is enrolled on the NPQ in Senior Leadership.

The successful establishment of an induction centre to baseline pupils upon entry is proving significant in our development of a greater understanding of our pupils. Pupils must complete it before entry to the school and progress is mapped from these baselines in Reading, English and Maths. This is led by Elizabeth Milroy our Examinations Officer.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Strategic report (continued)

Achievements and performance (continued)

a. Key performance indicators

The achievement of an 'at least' Good Ofsted rating for overall effectiveness is significant to achieve. Confirmation of the renewal of the Basic Skills Quality Mark (BSQM) which underpins the strong work that goes on in basic skills support at the Academy was achieved November 2021. We hosted a successful quality assurance visit by two of our commissioning schools in September 21 who provided us with a report.

We are again 100% compliant to the Gatsby Careers benchmarks having appointed a Careers Lead, Lewis Thomas in September 2018 to complete this work.

Only 1 pupil (4%) out of 21 however did NOT have a secure destination in July 2022. Work is ongoing to establish whether pupils are NOT NEET (Not in Education Employment or Training). This figure is reported to the local authority and members and governors in December.

Attendance for 2021/22 was 72.3% pupils on roll. With lowest 10% of pupils removed, this was 74.9% for pupils on roll. Whole school attendance YTD (all pupils worked with) 63.5%. With lowest 10% of these pupils removed was 65.1% The average improvement in attendance for pupils on roll from point of referral was +4.1%.

A comprehensive self-evaluation has been completed by senior leaders and the Head Teacher and has been presented to Governors. Early signs are that the school is now well placed to move for outstanding and achieving excellence but is at least GOOD in most areas of school development. The work of the SIP will improve the areas for concern.

Contributing developments to the at least 'Good' rating include:

- Head Teacher performance management targets.
- Improved Governor challenge, training, review and support.
- A GOOD Quality of Education including a coherent and logically sequenced and appropriate curriculum that is broad in its offer, including the addition of Science at GCSE (Physics).
- The development of the induction centre to produce accurate baselining data.
- The development of teaching reading practices to build on the existing culture.
- Quality Assurance from commissioning schools and latterly through the teaching schools.
- Securely 'good' teaching and learning.

The school has adopted the practices of "Living with respiratory illnesses" post COVID. This is reflected in Policy and practice throughout the school.

The Academy remained open to pupils throughout the lockdown periods and, despite the general turbulence caused by the pandemic, minimal referrals were made between this period, thus impacting on our census figures and therefore our finances, the NOR and the overall average occupancy, resulting in the ESFA cutting our funding from 120 pupil places to 105 in 2021/2022. The funding was "rolled over" for 2022/23 because the DfE/ESFA had no census data or FTE figures to confirm funding. We await the funding decision by the ESFA this Autumn but are prepared for a significant reduction due to our lower population average and enrolments. The Cost of Living crisis and unfunded education staff pay rises in conjunction with rising energy prices caused by the war in Ukraine is adding further instability to education budgets. The Head Teacher has joined with the Association of Secondary Head Teachers in Worcestershire as well as the other AP Heads (Primary and Secondary) in lobbying local MP's and the government for a funded pay rise. The Head Teacher also wrote independently to the then Schools Minister, Robin Walker for his support specifically for Aspire, with no response.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Strategic report (continued)

Achievements and performance (continued)

b. Going concern

After consideration of the school's financial position, its financial plans (including projected pupil numbers), the demand for places and the broader environment, the Board of Governors have reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the mid-term. The 3-year financial plans indicates however that during 2024/2025 reserves will be depleted. In this regard the Academy is consulting with the ESFA and has adopted an action plan to ensure the sustainability of the school. Continual monitoring of the situation and additional governance meetings are taking place. For this reason, the Academy continues to adopt the Going Concern principle in preparing its financial statements. Further details regarding the adoption of the Going Concern basis can be found in the Statements of Accounting Policies.

Financial review

Restricted General Fund

The Academy's income was received from the Education and Skills Funding Agency (ESFA) by way of the General Annual Grant (GAG) and National Tutoring Program Funding; 'Top Up' funding from referring schools, based on actual pupil places; funding from the LA in respect of referred pupil places and the Teacher Pay and Employer ER Pension Contribution grants; Worcester City Food Parcel Grant, and a grant from the Office of the Police Crime Commissioner. The use of this funding is restricted to the Academy's charitable activities – its educational operations.

This revenue income, and associated revenue expenditure, are detailed in the SOFA. General Restricted Fund income for the period was £1,651,108; expenditure against the fund was £1,830,442, actuarial gains in the fund were £1,101,000 and transfers out were £603. The overall Restricted General Fund reserves are £853,064 before the pension deficit of £(373,000).

Unrestricted Funds

Income received into the Unrestricted Fund was £5,287. Expenditure was £nil for the year. The unrestricted funds are the Academy's free reserves. The overall Unrestricted Fund reserves are £33,358.

Restricted Fixed Asset Fund

The following capital income was received during the year:

- ESFA Formula Capital Funding of £5,772
- Revenue contribution to capital of £603 made from the Restricted General Fund
- Capital Donations (DfE Pupil Laptops) £1,810

The Restricted Fixed Asset Fund balance is reduced by any disposals made together with the annual depreciation charge over the expected useful life of the assets concerned in line with the Academy's depreciation policy.

The SOFA details a £3,961,460 Restricted Fixed Asset Fund period end surplus after transfers between funds.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Strategic report (continued)

Summary of Financial Performance

Total fund balance as at 31st August 2022 was £4,474,882 comprising £33,358, £480,064 and £3,961,460 in Unrestricted, Restricted General and Restricted Fixed Asset Funds respectively.

Balance Sheet

The Academy's assets are predominantly used for providing education to school pupils. The net book value of the Academy's tangible fixed assets was £3,961,460 as at 31st August 2022. The movement in this account is detailed in note 14.

Cash in hand at 31st August 2022 was £875,466.

a. Reserves policy

The Reserves Policy determines that the Academy should aim to maintain a minimum level of free reserves at an average of three month's average expenditure. To provide sufficient working capital to cover timing issues between spending and the receipt of grants, and to provide a cushion to deal with unexpected emergencies such as urgent maintenance, a cash balance of £300k should be maintained. To enable the Academy to maintain this level of free reserves we undertake to uphold the principles of best value, maintain the policy undertaking price comparisons and competitive tendering and make strategic efficiency savings where possible.

A deficit of £1,359,000 existed in respect of the Local Government Pension Scheme at the start of the period; the 2022 actuarial valuation showed a deficit of £373,000 at the close of the period. The DfE have made assurances that in the event of a school closure, they would meet any deficit in the scheme.

As at 31st August 2022 the fund balances were:

- Unrestricted Fund: £33,358
- Restricted General Fund: £853,064
- Free reserves: £886,422

The Academy currently holds free reserves in excess of three month's average expenditure. £263k of these free reserves have been earmarked to support/balance the budget plan for 2022/23. The Academy maintains a working 5 year budget plan to assist in forward planning and thus providing early warning indicators to the depletion of the Academy reserves.

b. Investment policy

The governing body is responsible for setting the investment policy. The day to day responsibility for managing this function has been delegated to the Director of Operations. To attract additional income, the Academy operates a 32-day notice deposit account. Where cash flow balances indicate a continued cash balance in excess of £300,000 the difference will be available for deposit into the Academy's deposit account.

c. Principal risks and uncertainties

The Board of Governors has a comprehensive risk management process to identify and monitor the risks faced by the Academy. The principal risks identified include governance, statutory compliance, finance, insurance, attainment, attendance, behaviour, health and safety, organisation, operations, safeguarding, reputation, HR and ICT. A risk rating mechanism is in place with greater emphasis directed towards those identified higher risk areas.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

d. Risk Management

The Board of Governors has considered the major risks to which it is exposed, in particular those relating to governance, finance, insurance, attainment, attendance, behaviour, health and safety, organisation, operations, safeguarding, reputation, HR and ICT. The review of the Strategic Risk Register: Financial and Reputational Risks is a standing item on Governing Body meeting agendas.

The Board of Governors have implemented a number of systems to assess and reduce the risks that the Academy faces, especially in operational areas in relation to teaching, health and safety (including trips and the Academy's minibuses), behaviour management, and in relation to the control of finances. They have introduced policies and systems for the recruitment, selection and vetting of new staff, continual professional development of staff, child protection, supervision of pupils around the Academy site and internal financial controls to minimise financial risk. Insurance is in place through the DfE Risk Protection Arrangement (RPA) and with Zurich Insurance for vehicle, engineering and inspection cover.

The Academy has an effective system of internal financial control as explained in the Statement on Internal Control. The Academy has undertaken a full review of the main areas of risk which it faces, including health and safety and child protection policies and procedures.

e. Fundraising

The Academy Trust does not carry out significant fundraising activities.

Plans for future periods

The Aspire Free School Academy Trust strives to improve levels of attainment for all pupils, equipping them with the qualifications, skills and character to follow their chosen pathway, whether it be into further education, higher education, apprenticeships or employment. There is an increasing trend in the number of qualifications offered and achieved as the 2022 results testify to, this is in line with the results produced in 2019. The school fully meets its obligations to provide considerable support to pupil's relationship and sexual health education, supported by medical services and the charity Purple Leaf.

The Academy believes that developing the whole pupil is critical to improving levels of attainment and in developing broader skills and character that will develop pupils' commitment to lifelong learning and enrich their quality of life. The academy has developed considerably to the demands of pupils who have experienced significant mental health issues in recent years with developments of its education programme and the provision of its training to its staff. To this extent, the Academy strives to provide exceptional behaviour and attendance management support to its pupils in a relentlessly reasonable way, to offer a broad range of extra-curricular activities through its 'Aspire Plus' holiday programme and to ensure they get the best quality careers education information, advice and guidance. Following the outstanding direction of the careers leader who drives the careers strategy (a statutory Government initiative) we have successfully completed and achieved all the Gatsby benchmarks to 100%.

Funds held as custodian on behalf of others

There are no Funds held as Custodian Governor on behalf of others.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 AUGUST 2022

Disclosure of information to auditor

Insofar as the Governors are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware, and
- that Governors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

The Governors' Report, incorporating a strategic report, was approved by order of the Board of Governors, as the company directors, on 8/12/22 and signed on its behalf by:

P Collins
Chair of Governors

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT

Scope of responsibility

As Governors, we acknowledge we have overall responsibility for ensuring that the Aspire Free School Academy Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Governors, we have reviewed and taken account of the guidance in the DfE's Governance Handbook and competency framework for governance.

The Board of Governors has delegated the day-to-day responsibility to the Head Teacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between the Aspire Free School Academy Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Governors any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Governors' report and in the Statement of Governors' responsibilities. The skills set of the Trustees ensures the Board is focussed, not only educationally, but also in terms of finance, human resources and legal. New governors are appointed with consideration of the above to fill any skills gaps. During the year Trustees were required to complete the NGA Skills Audit. In addition to informal meetings and visits to the school, the Board of Governors met formally four times during the year.

Attendance during the year at meetings of the board of Governors was as follows:

Governor	Meetings attended	Out of a possible
J Bateman	2	4
P Collins, Chairman	4	4
C Hart, Vice Chair	3	4
P Hines (appointed 17th March 2022)	1	2
H Jones (retired 31st August 2022)	1	4
C Lewis (appointed 29th March 2022)	1	2
M Scriven	3	4
P Stephens	2	4
S Stevenson, Accounting Officer	4	4
C Taylor (appointed 30th May 2022)	1	1
D Titterton	4	4

One governor retired during the year and there were three appointments. There are currently 2 possible governor vacancies, one of which is a parent governor, which are permitted under the Articles of Association.

The Governing Body has determined that it is able to convene on a termly basis and maintain effective oversight. In addition to the 4 x Full Governing Body meetings, other committees with delegated terms of reference have met during the year. These additional meetings included 3 x Finance & HR committee and 2 x Teaching & Learning committee meetings. The Chair of Governors visits the school and meets with the Head Teacher on a regular basis to monitor progress, and is kept informed of any pertinent matters which may arise from time to time. The Academy has a designated Safeguarding Governor who meets half termly with the Designated Safeguarding Lead, and at other times if necessary. The Chair of Governors and Finance Governors receive monthly Management Account reports relating to the financial position of the Academy. Email communications continue to prove an effective way in which to keep Governors informed between meetings. The Academy also operates a document 'shared drive' where relevant information can be shared with Governors in preparation for

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Governance (continued)

meetings etc. Governors are encouraged to visit the Academy at any time to meet with the Head Teacher and other staff, or simply observe aspects of the school day.

Governors, Members and Senior Leaders complete annual Declaration of Interests, which is also a standing item on all Full Governor and sub-committee meetings.

The Trust manages conflicts of interest by maintaining a register of interests. To ensure declarations of interest are up to date, it is a standing item on all Full Governor and sub-committee meetings. Trustees must consider and agree not to take part, or to leave discussions, where a conflict of interest may exist. Trustees will not be included as part of the quorum where a conflict may exist.

The regulatory role of the Education and Skills Funding Agency (ESFA) is to ensure Academy Trusts fulfil their safeguarding responsibilities. I have reviewed all the information provided and am content that the safeguarding processes in the academy comply with and have signed the return to the Local authority with respect to interventions.

- The Education (Independent School Standards) Regulations 2014
- The guidance issued by the Secretary of State
- Its own policies and procedures

The Finance and Human Resources Committee, a sub-committee of the main Board of Governors, met on three occasions, its remit is to:

- Monitor, evaluate and review policy and performance in relation to financial management.
- Ensure compliance with reporting and regulatory requirements and reporting.
- Draft the annual budget.
- Monitor and set staffing levels.
- Oversee staff Performance Management.
- Discuss all resource and premises issues, including health and safety.

Attendance during the year at meetings was as follows:

Governor	Meetings attended	Out of a possible
J Bateman	3	3
P Collins	3	3
C Hart	2	3
P Hines	0	1
S Stevenson	3	3

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Review of value for money

As Accounting Officer, the Head Teacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Governors where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

- Continuing to obtain comparative pricing whenever possible. During the year this included competitive tendering for staff absence insurance, internal and external audit services, replacement laptops and external roof repairs.
- Where possible, when purchasing/renewing subscriptions and licences, enquiries continue to be made to secure savings by renewing for periods longer than 12 months.
- Annual price comparisons are made to compare frequently used curriculum stationary items. A Central Store system has been adopted to stock these items and thus reduce the need for smaller quantity orders; saving both money and time.
- On line price comparisons continue to prove effective with the speed of both obtaining prices and ascertaining market availability.
- The use of an Academy business charge card allows us to take advantage of on-line purchasing to achieve competitive pricing and where it is not practical to set up a credit account.
- Competitive price analysis and negotiation is routinely undertaken to secure best prices. Both on line and with current suppliers. An internal requisition process is in place, requiring price comparisons on general curriculum resources; this helps achieve best prices and encourages curriculum leaders to reflect on their purchases and monitor budgets.
- The Crescent Purchasing Consortium website continues to be used to access purchasing frameworks and contact suppliers in various areas to obtain pricing quotations.
- The Academy continues to make good supplier contacts and value for money can now be assessed on both price and service received.

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of academy trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place at the Aspire Free School Academy Trust for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements.

Capacity to handle risk

The Board of Governors has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Governors is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks, that has been in place for the year 1 September 2021 to 31 August 2022 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Governors.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

The risk and control framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- Comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the board of Governors.
- Regular reviews by the Finance and HR Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes.
- Setting targets to measure financial and other performance.
- Clearly defined purchasing (asset purchase or capital investment) guidelines.
- Identification and management of risks.

The Board of Governors has decided to buy-in an internal audit service from Randall & Payne

This option has been chosen to comply with the revised FRC Ethical Standards for auditors. Randall & Payne's role includes giving advice on financial and other matters and performing checks on the academy trust's financial and other systems.

In particular, the checks carried out in the current period include:

- ESFA Income
- 'Other' Income
- Purchasing and Purchase Ledger
- Staff Expenses
- Payroll
- Fixed Assets: Recording and Guardianship
- Control Accounts
- Cash Flow
- Governance & Transparency

On a termly basis Randall & Payne report to the Board of Governors, through the Finance & HR committee on the operation of the systems of control and on the discharge of the Board of Governors financial responsibilities. They prepare a termly report to the committee outlining the areas reviewed, key findings, recommendations and conclusions to help the committee consider actions and assess progress.

All recommendations for year ending 31/08/22 have been considered and adopted where necessary.

Challenges for 2023/24

The main financial challenge will be determined by the fund allocation indicated by the ESFA. The budget for 2022/23 was supplemented by a significant injection from the Academy's reserves. This strategy will not be sustainable as reserves are finite and therefore not replaceable. This projection has been identified to the ESFA together with the consequence that the alternative provision needs currently met by the Aspire Academy would not be available and could result in the school's closure. At the time of writing the budget for 2024/5 has not been determined.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

GOVERNANCE STATEMENT (CONTINUED)

Review of effectiveness

As Accounting Officer, the Head Teacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- The work of the external auditor.
- The financial management and governance self-assessment process and/or the school resource management self-assessment tool.
- The work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.
- Correspondence from the ESFA.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance & HR committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As accounting officer of Aspire Free School Academy Trust I have considered my responsibility to notify the Academy Board of Governors and the Education & Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with terms and conditions of all funding received by the Academy, under the funding agreement in place between the Academy and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Trust Handbook 2022.

I confirm that I and the Academy Board of Governors are able to identify any material irregular or improper use of all funds by the Academy, or material non-compliance with the terms and conditions of funding under the Academy's funding agreement and the Academies Trust Handbook 2022.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the board of Governors and ESFA.

S Stevenson

Accounting Officer

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

STATEMENT OF GOVERNORS' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2022

The Governors (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Governors' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Governors to prepare financial statements for each financial year. Under company law, the Governors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Governors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Governors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Governors are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Governors are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by order of the members of the Board of Governors on 8/12/22 and signed on its behalf by:

Accounting officer

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE
FREE SCHOOL ACADEMY TRUST**

Opinion

We have audited the financial statements of Aspire Free School Academy Trust (the 'academy') for the year ended 31 August 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

In our opinion the financial statements:

- give a true and fair view of the state of the Academy's affairs as at 31 August 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2019 and the Academies Accounts Direction 2021 to 2022 issued by the Education and Skills Funding Agency.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 1.3 in the financial statements, which indicates that due to the continued reduction in funded places within the Academy and expected increase in costs across the sector the Academy will utilise a significant amount of free reserves to sustain deficits in the coming years. Forecasts for the coming 12 months predict a deficit which will be covered by free reserves held as at 31 August 2022, however beyond this period reserves will continue to be significantly depleted unless the Academy can deploy strategic plans to evade predicted deficits. As stated in note 1.3, these events or conditions, along with the other matters as set forth in note 1.3, indicate that a material uncertainty exists that may cast significant doubt on the Academy's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

In auditing the financial statements, we have concluded that the Governors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the Governors' assessment of the Academy's ability to continue to adopt the going concern basis of accounting included discussions with those charged with governance, review of both 3 year forecasts and revised strategic plans introduced to counteract predicted deficits.

Our responsibilities and the responsibilities of the Governors with respect to going concern are described in the relevant sections of this report.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE
FREE SCHOOL ACADEMY TRUST (CONTINUED)**

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Governors are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Governors' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Governors' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Governors' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Governors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE
FREE SCHOOL ACADEMY TRUST (CONTINUED)**

Responsibilities of governors

As explained more fully in the Governors' Responsibilities Statement, the Governors (who are also the directors of the Academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Governors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governors are responsible for assessing the Academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governors either intend to liquidate the Academy or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We obtained an understanding of the legal and regulatory frameworks within which the charitable company operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 together with the Charities SORP (FRS 102), Companies Act 2006, Academies Accounts Direction and the Academy Trust Handbook. We assessed the required compliance with these laws and regulations as part of our audit procedures on the related financial statement items.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which might be fundamental to the charitable company's ability to operate or to avoid a material penalty. We also considered the opportunities and incentives that may exist within the charitable company for fraud. The key laws and regulations we considered in this context were General Data Protection Regulation, health and safety legislation, Ofsted and employee legislation.

Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquire of the Trustees and other management and inspection of regulatory and legal correspondence, if any. We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be within the timing and completeness of nong grant income recognition and the override of controls by management. Our audit procedures to respond to these risks included enquiries of management and the Board about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals, reviewing accounting estimates for biases, reviewing regulatory correspondence with the ESFA, and reading minutes of meetings of those charged with governance.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

**INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ASPIRE
FREE SCHOOL ACADEMY TRUST (CONTINUED)**

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing noncompliance and cannot be expected to detect non-compliance with all laws and regulations.

Use of our report

This report is made solely to the Academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ASPIRE
FREE SCHOOL ACADEMY TRUST AND THE EDUCATION AND SKILLS FUNDING AGENCY**

In accordance with the terms of our engagement letter dated 14 September 2020 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2021 to 2022, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Aspire Free School Academy Trust during the year 1 September 2021 to 31 August 2022 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Aspire Free School Academy Trust and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Aspire Free School Academy Trust and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Aspire Free School Academy Trust and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Aspire Free School Academy Trust's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Aspire Free School Academy Trust's funding agreement with the Secretary of State for Education dated 2013 and the Academies Financial Handbook, extant from 1 September 2021, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2021 to 2022. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Framework and Guide for External Auditors and Reporting Accountant of Academy Trusts issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

The work undertaken to draw a conclusion includes a review of the design and implementation of the Academy's internal controls and review processes on regularity, supported by detailed test on samples of costs incurred by the academy and specific transactions identified from our review.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

**INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO ASPIRE
FREE SCHOOL ACADEMY TRUST AND THE EDUCATION & SKILLS FUNDING AGENCY (CONTINUED)**

Conclusion

In the course of our work, nothing has come to our attention which suggest in all material respects the expenditure disbursed and income received during the year 1 September 2021 to 31 August 2022 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2021 to 2022 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

1.2 Company Status

The Academy Trust is a company limited by guarantee and was incorporated in England and Wales (registered number 08330636). The address of the registered office is Aspire Free School Academy Trust, Bridgwater Road, Worcester, WR4 9FW.

1.3 Going concern

The Governors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Governors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy has adequate resources to continue in operational existence for the mid-term. Forecasts for the coming 12 months predict a deficit which will be covered by free reserves held as at 31 August 2022, however beyond this period reserves will continue to be significantly depleted. The 3-year financial plans indicate that during 2024/2025 reserves will be depleted due to rising costs and a continued reduction in funding. In this regard the Academy is consulting with the ESFA and has adopted an action plan to ensure the sustainability of the school. Continual monitoring of the situation and additional governance meetings are taking place. As a result there is uncertainty relating to the Academy's ability to continue as a going concern, however the Governors have curated strategies to counteract predicted deficits, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.4 Income

All income is recognised once the Academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

- **Grants**

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

- **Sponsorship income**

Sponsorship income provided to the Academy which amounts to a donation is recognised in the Statement of Financial Activities in the period in which it is receivable, where receipt is probable and it is measurable.

- **Donations**

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

- **Other income**

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

- **Donated fixed assets (excluding transfers on conversion or into the Academy)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy's accounting policies.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

- **Charitable activities**

Expenditure on charitable activities are costs incurred on the Academy's educational operations, including support costs and those costs relating to the governance of the Academy appointed to charitable activities.

1.6 Tangible fixed assets

Assets costing £500 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	- Straight line over 50 years
Furniture and equipment	- Straight line over 5 years
Computer equipment	- Straight line over 3-5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities.

1.7 Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.8 Financial instruments

The Academy only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy and their measurement bases are as follows:

Financial assets - trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost as detailed in note 15. Prepayments are not financial instruments. Amounts due to the Academy's wholly owned subsidiary are held at face value less any impairment.

Cash at bank is classified as a basic financial instrument and is measured at face value.

Financial liabilities - trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost as detailed in note 16. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to the Academy's wholly owned subsidiary are held at face value less any impairment.

1.9 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Part 11, chapter 3 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

1. Accounting policies (continued)

1.10 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. TPS is an unfunded multi-employer scheme with no underlying assets to assign between employers. Consequently, the TPS is treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded multi-employer scheme and the assets are held separately from those of the Academy in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance Sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.11 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Governors.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Department for Education Group.

Investment income, gains and losses are allocated to the appropriate fund.

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 19, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2019 has been used by the actuary in valuing the pensions liability at 31 August 2022. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgment:

There are no critical judgments which would have a material impact on the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

10. Staff (continued)

c. Staff numbers

The average number of persons employed by the Academy during the year was as follows:

	2022 No.	<i>2021 No.</i>
Teachers	11	<i>11</i>
Management	7	<i>6</i>
Administration and support	17	<i>19</i>
	35	<i>36</i>

d. Higher paid staff

No employee received remuneration amounting to more than £60,000 in either year other than S Stevenson disclosed in note 11.

e. Key management personnel

The key management personnel of the Academy comprise the Governors and the senior management team as listed on page 1. The total amount of employee benefits (including employer pension contributions and employer national insurance contributions) received by key management personnel for their services to the Academy was £518,682 (*2021 £461,083*).

11. Governors' remuneration and expenses

One or more Governors has been paid remuneration or has received other benefits from an employment with the Academy. The principal and other staff Governors only receive remuneration in respect of services they provide undertaking the roles of principal and staff members under their contracts of employment. The value of Governors' remuneration and other benefits was as follows:

		2022 £	<i>2021 £</i>
S Stevenson, Accounting Officer	Remuneration	90,000 - 95,000	<i>75,000 - 80,000</i>
	Pension contributions paid	15,000 - 20,000	<i>15,000 - 20,000</i>
H Jones	Remuneration	20,000 - 25,000	<i>20,000 - 25,000</i>
	Pension contributions paid	0 - 5,000	<i>0 - 5,000</i>

During the year ended 31 August 2022, no Governor expenses have been incurred (*2021 - £NIL*).

ASPIRE FREE SCHOOL ACADEMY TRUST
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

12. Governors' and Officers' insurance

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects governors and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provides cover up to £10,000,000. It is not possible to quantify the Governors and officers indemnity element from the overall cost of the RPA scheme.

13. Related party transactions

Owing to the nature of the Academy and the composition of the Board of Governors being drawn from local public and private sector organisations, transactions may take place with organisations in which the governors have an interest. All transactions involving such organisations are conducted in accordance with the requirements of the Academies Financial Handbook, including notifying the ESFA of all transactions made on or after 1 April 2019 and obtaining their approval where required, and with the Academy's financial regulations and normal procurement procedures relating to connected and related party transactions.

No related party transactions took place in the period of account, other than certain governors' remuneration and expenses already disclosed in note 11.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

17. Statement of funds (continued)

The specific purposes for which the funds are to be applied are as follows:

- 1) General Annual Grant: this must be used for the normal running costs of the Academy Trust.
- 2) Other DfE/ESFA grants: this fund relates to other grants received which must be used for the purpose intended.
- 3) Other grants relate to an OPCC grant received from the Office of the Police Crime Commissioner which must be used for after school provisions only
- 4) Restricted fixed asset fund: this fund relates to resources which must be applied for specific capital purposes intended.
- 5) The Government capital grant funds are provided by the Government for specific capital projects. Such funds are to be treated as restricted due to restrictions imposed by the DfE over the use and disposal of the related assets.
- 6) The restricted income funds are subject to specific expenditure within the Trust's declared objects.
- 7) Transfers represent expenditure on fixed assets from the General Annual Grant.

Under the funding agreement with the Secretary of State, the Academy was not subject to a limit on the amount of GAG it could carry forward at 31 August 2022.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

19. Pension commitments

The Academy's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Mercers. Both are multi-employer defined benefit schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2016 and of the LGPS 31 March 2019.

Contributions amounting to £17,506 were payable to the schemes at 31 August 2022 (2021 - £26,319) and are included within creditors.

Teachers' Pension Scheme

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies. All teachers have the option to opt-out of the TPS following enrolment.

The TPS is an unfunded scheme to which both the member and employer makes contributions, as a percentage of salary - these contributions are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury every 4 years. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2016. The valuation report was published by the Department for Education on 5 March 2019. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 23.68% of pensionable pay (including a 0.08% administration levy)
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £218,100 million and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £196,100 million, giving a notional past service deficit of £22,000 million
- the SCAPE rate, set by HMT, is used to determine the notional investment return. The current SCAPE rate is 2.4% above the rate of CPI, assumed real rate of return is 2.4% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.2%. The assumed nominal rate of return including earnings growth is 4.45%.

The next valuation result is due to be implemented from 1 April 2024.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022

19. Pension commitments (continued)

The employer's pension costs paid to TPS in the year amounted to £122,606 (2021 - £142,123).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2022 was £118,000 (2021 - £102,000), of which employer's contributions totalled £94,000 (2021 - £76,000) and employees' contributions totalled £ 24,000 (2021 - £26,000). The agreed contribution rates for future years are 18.1 per cent for employers and between 5.5% and 12.5% per cent for employees.

As described in note the LGPS obligation relates to the employees of the Academy, who were the employees transferred as part of the conversion from the maintained school and new employees who were eligible to, and did, join the Scheme in the year. The obligation in respect of employees who transferred on conversion represents their cumulative service at both the predecessor school and the Academy at the balance sheet date.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

The deficit contributions due in 2022/23 are £24,500

Principal actuarial assumptions

	2022	2021
	%	%
Rate of increase in salaries	4.3	4.3
Rate of increase for pensions in payment/inflation	2.9	2.9
Discount rate for scheme liabilities	4.3	1.7
Inflation assumption (CPI)	2.8	2.8

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2022**

19. Pension commitments (continued)

The current mortality assumptions include sufficient allowance for future improvements in mortality rates. The assumed life expectations on retirement age 65 are:

	2022 Years	<i>2021 Years</i>
<i>Retiring today</i>		
Males	22.6	22.7
Females	25	25.1
<i>Retiring in 20 years</i>		
Males	24.1	24.4
Females	27	27.1

Sensitivity analysis

	2022 £000	<i>2021 £000</i>
Discount rate +0.1%	(35,000)	(57,000)
Discount rate -0.1%	36,000	58,000
Mortality assumption - 1 year increase	28,000	72,000
Mortality assumption - 1 year decrease	(27,000)	(70,000)
CPI rate +0.1%	35,000	57,000
CPI rate -0.1%	(34,000)	(56,000)

Share of scheme assets

The Academy's share of the assets in the scheme was:

	2022 £	<i>2021 £</i>
Equities	790,000	820,000
Other bonds	29,000	1,000
Property	89,000	43,000
Cash and other liquid assets	19,000	25,000
Other	148,000	97,000
Total market value of assets	1,075,000	986,000

The actual return on scheme assets was £23,000 (2021 - £145,000).
