"We are a safe, containing, caring, good humoured and well-disciplined school where strong nurturing relationships and an understanding of childhood trauma and attachment issues are at the heart of everything. Having a well-established and effective governing body is one of our strengths and helps ensure that we are keeping our students at the centre of our decision making and keeps our school moving forwards. Working together we strive to provide the best opportunities and prepare each pupil for a life that is full of success, independence, and happiness. The local governing body is at the centre of our continued development, and we welcome your interest in joining us as a new governor"
